

# WELCOME TO THE EXPECTATION MEETING FOR BARN OWLS CLASS

The teachers in Robins Class are Mrs. Aston and Mrs. Brett.  
Our part-time teaching assistant is Mrs. Marsden.

# We expect the children at Springfields First School -

- To be respectful and tolerant towards each other
- To respect all the adults within school
- To behave sensibly
- To follow the school rules
- To display good manners
- To come to school dressed appropriately and with any equipment they may need

# Rewards and sanctions

We have high expectations of behaviour at Springfields First School. The behaviour of the children is excellent.

- At Springfields, we reward good behaviour, hard work and attainment with team points, stickers and certificates in Celebration assembly on Friday.
- We have a common behaviour system that runs throughout the school using a traffic light system with green cards showing when good behaviour is displayed, amber warning cards and red cards when inappropriate behaviour continues.
- Sanctions within school vary from moving seats within the class, to missing part of playtime or to missing 5 minutes of Golden Time for each red card. Parents may also be invited into school to discuss their child's behaviour.
- We also have extra class reward systems so, in Barn Owls, we award raffle tickets which provide the chance to be pick out a small prize the prize box on Fridays. We also have the 'Class Hero' trophy which we award to someone who has shown positive learning attitudes during the week.

# Homework

We try to make homework relevant to the children and endeavour to give them a variety of activities that may challenge them with new learning or may practise skills already learnt in class.

## Reading

◦ Each child will have a set day every week for changing their reading books. Please could children bring their reading books and diaries to school every day. We expect reading diaries to be signed by a parent/carer each week before books are changed.

A little and often is the most effective way to learn Spellings and Maths facts, and let's not forget...to develop reading skills.

Our main **homework day** will be **Friday** and it will be sent out using Microsoft Teams.

Children should receive:

- A piece of homework related to the **topic** that we are learning about.
- **Spellings** will be ongoing and set at half-termly intervals.
- Fluency **maths facts** will also be ongoing and set at half-termly intervals.

# Additional information

- **PE days** are **Thursday and Friday** please ensure that children come dressed in the appropriate school PE kit on these days. (No non-uniform sports wear please).
- Please provide a red hoodie and black tracksuit bottoms for your child to wear - where possible we will go outside for games lessons. Hair should be tied back and no jewellery should be worn.
- Please ensure that if home-time arrangements are different to normal that you let school know in writing or by phone.
- Please encourage your child to take more responsibility for their school equipment now that they are KS2 (Juniors) – PE kits, homework, looking after school uniform etc. This independence will really benefit your child when they go to middle school.

Thank you for attending this meeting.
