Springfields Behaviour Policy

The pupils at Springfields First School are taught how to behave by following the school rules:

Be Ready, Show Respect & Stay Safe.

Pupils are expected to:

- be ready to learn
- to be respectful and tolerant towards others
- to stay safe at all times
- We want to see that the children are-
- displaying good manners
- arriving to school dressed appropriately and with any equipment that they need

Rewards and sanctions

We have high expectations of behaviour at Springfields First School. The behaviour of the children is excellent.

When a pupil's behaviour meets or goes above and beyond the expected behaviour standard, staff will recognise it with positive recognition and reward. Positive behaviour will be rewarded with:

- Verbal praise and/or a class round of applause
- A cheer and/or sticker
- Having their name added to the 'Recognition Board'
- Team points
- Praise cards are sent home
- Certificates during celebration assembly
- Positions of responsibility (trusted with a specific job)
- Whole-class rewards may include time to do a popular activity etc.

Rewards and sanctions

We have high expectations of behaviour at Springfields First School. The behaviour of the children is excellent.

The school may use one or more of the following sanctions in response to unacceptable behaviour:

- A reminder of the behaviour expected in school
- Sending the pupil out of the class for a short period of time, to regain self-control or reflect on their actions
- Expecting work to be completed at home, or at break or lunchtime
- Loss of privileges – for instance, the loss of a prized responsibility
- Referring the pupil to a senior member of staff
- Phone call home to parents
- Agreeing a behaviour plan, with pupil and parents

Children are always given space to process their actions and have time to talk about what and why they have gone wrong. We talk about making the right/ wrong choices and that all our actions have consequences with positive or negative outcomes.

Homework

We try to make homework relevant to the children and endeavour to give them a variety of activities that may challenge them with new learning or may practise skills already learnt in class.

A little and often is the most effective way to learn
Times tables, Spellings and Maths facts,
and let's not forget...to develop reading skills.

English

Reading- The children will have a set day for changing their reading books each week.

- Children should be reading at least 3 times at home during the week. As independent reading develops, make sure you talk to your child about what has been read to check comprehension. All reading counts...magazines, library books, bedtime stories, school reading books. Please write in the diary ready for your child's reading day. It is important to show that your child has read at home with you. They will be awarded raffle tickets each time that they have their diaries signed.

- **Spelling-** The children will complete weekly homework assignments on Spelling Shed. Please practise x3 per week and the children will be assessed on their weekly words on a Friday.

- **Maths**

- Children will be using TT Rockstars to practise their times tables. Please practise 3x per week. As well as this, they will be given a weekly activity linked to times table to complete in their homework books.

- **Topic**

- We may occasionally send out a piece of homework related to our topic.

Homework will be issued on Friday. Your child will be given a homework book to complete tasks and will need to return it for Thursday each week so that there is time to mark it.

Additional information

- **PE days** are **Thursday and Friday** please ensure that children bring the appropriate school PE kit on Thursday and wear Fitness Friday clothes on Friday. (No non-uniform sportswear please).
- For those taking part in after school sports clubs, please bring kit in a bag to change into rather than wearing the PE kit all day.
- Please provide a red hoodie, white top and black shorts/tracksuit bottoms for your child to wear. Some lessons will take place indoors and some outdoors. Hair should be tied back, and no jewellery should be worn.
- Please ensure that if home-time arrangements are different to normal that you let school know in writing or by phone.
- Please encourage your child to take more responsibility for their school equipment in KS2 – PE kits, homework, looking after school uniform etc. This independence will really benefit your child when they go to middle school.
